

THE ONLINE TRADE FAIR

FOR THE FASHION INDUSTRY ★ 365 DAYS A YEAR ★ 60.000 RETAILERS

★ A NEW WAY TO CREATE PARTNERSHIPS IN FASHION!

NextCollections.com is the international Online Trade Fair for the fashion industry. A B2B platform with a wide range of collections of established & upcoming fashion brands. NextCollections offers a unique opportunity for fashion brands to present their collections to a large group of retailers & fashion professionals, 365 days a year.

The platform is exclusively accessible to retailers, who want to get in contact with suppliers and vice versa. Retailers can get inspired by the latest previews, videos and retail presentations from various international suppliers. Retailers no longer have to wait for the fashion Trade Fairs in order to orient themselves on the new buying season. This is now possible 24/7 - 365 days a year online.
